Attn: All Law Enforcement Personnel

### **Tactical Encounters for the Patrol Officer**

This course will focus on tactically demanding situations such as traffic stops, arrest situations, building entries/searches, low-light tactics and high risk calls, which challenge the officer's decision making process. It stresses positive mental mindset, which is paramount for officer survival. It also has an entire day of firearms training that moves from basic fundamentals to advanced combat skills. The bulk of this class will involve hands-on scenarios using simmunitions®.

Day 1: 2:00 pm-10:00 pm

Day 2: 2:00 pm-Midnight

Day 3: 8:00 am-4:00 pm
