

Patrol Rifle Instructor Course

This 4-day course is a challenging instructor level course which focuses on the development of instructor skills in the use and application of the AR-15/M-4 rifle platform. Students will learn instruction methods, lesson plan development, how to teach rifle fundamentals, and how to develop and implement training and qualification standards for their department. This course will give the Officer a thorough understanding of rifle marksmanship and the tactical use of the patrol rifle. This course will emphasize shooting from different positions, shooting on the move, shooting from covered positions, and shooting with speed and accuracy.
