

Open-Air Response to an Active Shooter Course

Open-Air Response to Active Shooter is designed to aid officers in a tactical response to suspects who have targeted outdoor venues; parks, concerts, parades, sporting events, etc.. These tactics are geared for large open areas with limited cover and concealment while attempting to engage or contain the suspect utilizing small squad tactics.

Recent Events:

Harvest Fest Concert Las Vegas, NV

Garlic Festival Gilroy, CA

4th of July Parade Highland Park, IL

Super Bowl Parade, Kansas City

Completion Requirements

Students will have to attend/participate in both classroom and practical applications.

This course contains both lecture and hands-on exercises that some may consider physically challenging; short sprints, low crawling, patrolling over open areas. Fatigue type clothing recommended.

*The majority of this course will be outdoors regardless of weather conditions-dress for the weather.

UTM/Simunitions will be utilized for force-on-target and force-on-force engagements.

May 10th

8:00A-4:00P

Costs- \$500.00
